

Feast of
Tabernacles 2020

1 - 8 October

THEME:

Journeys

Life is made up
of a multitude of journeys

THEME: JOURNEYS

We recognise that life is made up of a variety of journeys (some people may look at these as adventures), and Yahweh sets us on journeys to accomplish His purposes in our lives. This theme will look at the purpose and use of journeys; it will explore some significant journeys Yahweh calls us to make as individuals and as a corporate body. Each journey we make serves to bring us to where Yahweh wants us to be – fulfilling the purpose He has for us. 'Journeys' will have enormous relevance to the current circumstances in which we find ourselves and for where the Father wants us to move.

BECAUSE OF COVID-19

Please note that all meetings, apart from the first and last day, are being organised locally, by Elders and Deacons. Unfortunately, some people may not be able to meet with others.

During this difficult time we are doing the best we can to observe the Feast.

FEAST DEVOTIONAL BOOKLET

A devotional booklet will be available to everyone for the entire Feast period. This resource will encourage you to spend time in fellowship with Yahweh through set Scripture readings, questions to ponder, recording your reflections in the space provided, and prayer. You will also be able to share from it in the Feast meetings that you attend.

CHILDREN ACTIVITY PACKS

The Youth Link team will provide 'activity packs' for children 6-12 years old. The learning activities contained in the packs will also be based around the theme of 'Journeys'. Parents will need to request packs for their children before 23 September from
